ANNUAL REPORT

THORNAPPLE VALLEY CHURCH

PASTOR KEITH BROWN

Love our Communities and Impact the World.

As I look back on 2023, I am humbled by what God has done and I am excited about what He will do in us and through us in 2024. If I could sum up 2023 in one word, the word I would use is IMPACT. God used our weekend services and weekend ministries of kids and students to impact thousands of people with His truth. He also used our weekly ministries (Monday-Friday) to impact our communities with His love by meeting the practical needs of people.

Therefore, as you review our 2023 Annual Report, I hope you will feel the same gratitude to God I feel. Each page included in this report is a witness of God's work in TVC and through us to make an impact on those around us.

Please know your praying, serving, and giving played an indispensable role in what was accomplished in 2023. I believe we've only begun to see what God has in store for our communities, region, and nation. Jen and I love you and thank you from the bottom of our hearts.

A photograph showing a man with a long beard and dark hair being baptized in a pool of water. A man in a white shirt is performing the baptism, with his hands on the man's shoulders. The man being baptized has his eyes closed and a solemn expression. The background is dark and out of focus, suggesting an indoor setting.
